Medcost provides many programs that help members actively manage their healthcare and their costs.

## Medcost Cost Estimator Tool

Medcost works to give you information and tools to help you be a better, more active health care consumer – letting you choose providers based on the criteria most important to you. The cost estimator tool brings together information about procedures, providers, and costs in one place. This tool lets you see where certain procedures are performed near you and what the approximate costs for that procedure are likely to be. Exact costs will vary, so work with your provider for insight into your actual costs.

## Medcost – TELCARE – Diabetes Management Prog

Managing diabetes takes effort, but the Telcare blood glucose meter, available through Medcost’s Personal Care Management (PCM) program, can help make it a lot easier. If you receive a communication from Telcare, say “yes” to the Telcare solution and experience a better way to monitor your diabetes.

## Personal Care Management (PCM)

PCM identifies at-risk individuals before they develop chronic and costly medical conditions and educates you about actions you can take to lower risk levels. PCM works with dependent children, as well as spouses. Medcost’s PCM nurse health coaches take a holistic approach to participant care, evaluating all aspects of a participant’s situation, from lifestyle and habits to knowledge about a particular health condition, in addition to medical history and claims data.

## Complex Case Management (CM)

Medcost utilizes a variety of criteria to proactively identify potential high-risk and high dollar illnesses and injuries. Complex and long-term cases, such as strokes, certain cancers, spinal cord injuries, debilitating diseases and terminal illnesses, are closely managed and monitored to ensure members receive the best possible care while effectively managing health care expenditures. Case Management nurses work in collaboration with the member, provider and others on the member’s health care team to ensure the member receives the services necessary for making a swift recovery as cost effectively as possible.

## Medcost’s Online Resources

The Medcost app allows you to get access to your Medcost account any time, any where. You will have access to your Digital ID card, check for in-network providers, and check the status of any outstanding claims.

MaxorPlus have provided outstanding pharmacy benefits to members since 1991. They help you manage your prescriptions safely and cost-effectively and are dedicated to provide you with the best customer care service anytime you need it.

## Retail Pharmacy

# Health Reimbursement Account

## HRA-Flex Summary

Plan Year: 1/1/2023 – 12/31/2023

Claims Filing Deadline: March 31, 2024

## Benefit Summary

Shareholders and junior partners have the option to elect whether they want to participate in the HRA plan or not as this would be an additional payroll deduction of **\$150.00**. A person can have medical coverage and opt *not* to participate in the HRA plan.

If you are enrolled in the PPO plan the HRA-Flex funds are available to reimburse all qualified medical, dental, vision and prescription expenses for those who have enrolled.

If you are enrolled in one of the two HDHP's ,with an active HSA, the HRA-Flex balances are considered “limited purpose” and can only be used towards qualified dental and vision expenses.

Eligible employees can rollover unused balances from one plan year to the next for use towards qualified expenses incurred the following year.

**MAXIMUM ANNUAL CONTRIBUTION \$1,800 TOTAL MAX BENEFIT \$15,000**

## Reimbursement Process

1

Funds accessed either by using your *Flores Benefits* Card to pay a provider directly, or you may pay with another form of payment, then file a claim to seek reimbursement from your HRA balance.

2

If have incurred an HRA eligible expense, submit your EOB or itemized invoice along with a copy of your HRA Reimbursement Claim Form to Flores for processing.

Claims can be submitted either by upload at [www.flores247.com](http://www.flores247.com), uploaded using the *Flores Mobile* application, by fax, or by mail.

3

HRA claims are processed for reimbursement on a weekly basis. If an email address is on file, you will be sent an email notification when we receive your claim and after your request is processed.

Reimbursement will be sent by check, mailed to your home address, or by direct deposit, if you have provided your banking information to Flores.

# OPEN ENROLLMENT

---

Open Enrollment is scheduled from  
**Monday, October 24 through Friday, November 4<sup>th</sup>**

All updates are to be completed in the Paylocity enrollment portal.

Remember, Open Enrollment is your only opportunity each year to make changes to your elections, unless you or your family members experience an eligible “qualifying event” — such as marriage, birth, adoption, divorce, loss of coverage or a spouse’s open enrollment period.

You must notify Human Resources (within 30 days of a qualifying event) in order to make changes to your benefit elections outside of Open Enrollment.
